MADE IN TUSCANY

Tuscany means reliability, tradition in serving, innovation and culture.
These particular qualities distinguish
our production.

All our finishings of Italian design are entirely manufactured by us using
machinery made by ourselves.

SOCIAL RESPONSIBILITY

Fior spa adopted a Social Responsibility Management System
and obtained RJC COP and RJC COC Certifications.

The RJC Code of Practice (CoP) provides a common Standard
for ethical, social, human rights and environmental practices.

The RJC Chain of Custody (CoC) Standard, applicable to silver, gold and platinum,
aims to support responsible sourcing of these precious metals in the jewellery supply chain.
